HIVE

Cheat Sheet

THRIVE

Aimed to make your thrive experience better!

Date: May 05
Title: Juno Cave Tips

The Hive plants all follow the same easy care routine just light, water, and patience.

The only difference?

Their favorite desk spots...

Name: The Vibrant

Juno

Type: Spider Plant

Species: Chlorophytum

comosum

Juno (Spider Plant) thrives:

-Near a bright, shaded spot
just not in direct sun.
