

Plant Drama?

Flip for more →

Here's how to troubleshoot:

Tip: Look for bags labeled "Indoor Plant Soil" or "All-Purpose Potting Mix". Avoid "Garden Soil" it's too heavy for indoor plants.

Title: Lily Cave Tips

The Hive plants all follow the same easy cave routine just light, water, and patience.

The only difference?

Their favorite desk spots...

Name: The Peaceful Lily

Type: Peace Lily ✨

Species: *Spathiphyllum*

wallisii

Lily (peace lily) thrives:

In a cozy, softly lit corner,
far from harsh sunlight.
